The News Organ of the Capital City Squares  
A Member Club of the IAGSDC

## Money! Money! Money!

This newsletter is late. Capital City Squares is not dancing in September. You have received postcards with information on them that later phone calls had to amend. The new classes had one lesson September 3rd, and then classes were postponed until October 1st. The Board has been meeting hastily as a group and individually with George. Information about where and when we would dance has changed almost daily. Your newsletter editor has even been reduced to buying (and using) a Day Runner Organizer. What is going on?

This issue of the *Capers* will try to tell you what is going on as clearly and succinctly as possible. George and the Board, but especially George, have put in many hours of overtime to confront and work through this crisis.

The facts are as follows:

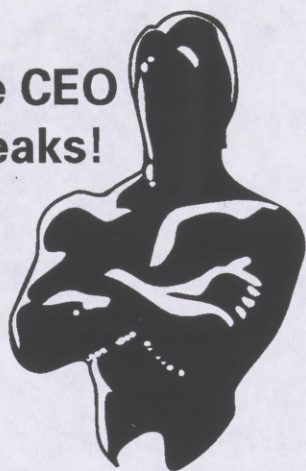

- It will cost approximately \$150 a night to dance at any school (in any district) or any parks and recreation facility. Thank Governor Wilson for that!
- If Capital City Squares incorporates as a non-profit mutual benefit corporation, the fee at the schools goes down to roughly \$50 a night.
- Other places, even if available on Tuesdays, cost \$50 to \$60 a night.

## The CEO Speaks!

[Can you even believe we couldn't get rid of him?!]

Welcome Aboard and Welcome Back! Here we are, "geared up" for another year with Capital City Squares. It's great to see all those "returning faces"—and all these new faces! Once we get moving, this is going to be a banner year! There is a lot of enthusiasm spilling over from last year and bunches of excited faces in the new group! Welcome, welcome! The ranks of the Club continue to swell; with past members returning and new interested dancers, we're going forward (not "straight" forward, however) as never before. It's going to be a wonderful year. I look forward to getting to know all these new people and helping you learn to dance. It's really an exciting year ahead of us.

As most of you are aware, the budget problems of this great State have hit us in the most unexpected places. The latest snafu concerns the fact that we now have to pay loads and loads of bucks we simply do not have for weekly rental. The high fees can be cut significantly by doing the one thing we should have done years ago—get tax-exempt, not-

for-profit status. However, there is no guarantee we will get it, and even if we do, we will still be spending several hundred dollars a month on the rents that we've not had to spend in the past. Since the Club has in the past been on a "barely break even shoestring budget," the current income/expense ratio will leave the Club sadly in the red in less than four weeks. While I am very optimistic that this will not happen, it does mean some changes are required, now.

The Board has been hard at work trying to find a way out of this dilemma. It has not been easy. Everything from late night brain-sweating to skipped lunches and phone calls to anyone and everyone are not unusual. The primary goals have been to alleviate the pending financial bind and to do so fairly. There is a third goal, not yet mentioned: to solve the Club's difficulty without dumping that solution on a few members (primarily the Board). The Club does not need ideas that require a few individuals to carry the treasury. For example, several members have suggested that the Club no longer purchase shirts and badges for the new members. Not one of these members have suggested back charging current members for the same. What's the fair solution here? Garage sales, candy bar sales, beer busts, 50/50 raffles, and so on—all these are valid, proven methods of getting additional income. Each and every one of these has made oodles of cash over the years for various organizations—they do work, and we will probably use several of them to help our situation. It is also true that the same dozen or so people will put to-

gether and run these events to benefit others. But is that really fair?

The past budget is being scrutinized closely to see where cuts may be made. It is true that our dues are already higher than many straight clubs', but it is just as true that we do not have additional per-night fees. Realize also that we are a small club, but our expenses are just as high as many much larger clubs'. Our club dues have remained unchanged for many years while postage, printing, hall rental, caller fees, manual fees, etc., have all gone up—we have not even raised soda prices. The Board has a proposal out lined in the front page article. Discuss it, and if you can, come up with alternatives to it that are fair to all and not too painful for the few. Any ideas, especially fully developed ideas, are very welcome. Thanks for those ideas—and thanks for your patience and understanding and for working through this together.

After all that, what's gonna happen? One way or another we'll get through this, together. It's a rough road right now, but I know that the light at the end of the tunnel is NOT the head lamp of an on-coming train. I am excited about this year—it's gonna be great! Square Dancing really is about the most fun you can have in a vertical position.

Welcome and thanks,

See ya dancin'

George 🐼

*Money! Money! Money!*  
Continued From Page 1

- The William Land School is no longer available to us on Tuesday nights. We found this out last week. An English as a Second Language class is going to be conducted there on Tuesdays.
- Gay bars are unacceptable meeting places on a regular basis. Our Club and its activities are for many an alternative to bars.
- The Club needs money to pay for the rental of a regular dancing facility. The school used to be free.
- The Club needs to maintain and at times replace its equipment and tapes and records.
- The Club wishes to continue having guest callers. They cost money.
- The Club wishes to remain a social, educational, and recreational organization for the purpose of promoting and teaching modern western square dancing for gay men, lesbians, and their friends.

In view of the above, the Board has taken the following actions that will affect your participation and membership in Capital City Squares (and probably Prime 8's as well).

- The Club is in the process of incorporating, something the Club has talked about for years. There are legal and financial benefits to being incorporated, one of which is

the lower rental fee, \$50 a night, to dance at local schools.

- The Board is proposing that the Club Bylaws be revised to reflect its incorporated status. A composite of the old and new Bylaws is included in this edition of the *Capers*. Please, read them carefully. Members will be asked to vote on them soon.
- At press time the Club plans to dance at the Theodore Judah Elementary School at McKinley Blvd and 39th Street in east Sacramento, beginning Tuesday, October 1st. The Basic class will meet at 6:30 P.M., and the Plus class will meet at 8 P.M.

Now for the bottom line. The Board is proposing the following new dues and fee structure:

- \$10 a month dues = \$90 a year for the 9 months the Club official dances. \$120 a year if the Club decides to dance during the summer.
- \$30 yearly membership fee, payable in January
- a \$2.50 a month prorated membership fee for the months of October, November, and December, 1991, for all full members of the Club. Basic class dancers will not be charged this fee.

- No dues will be charged for the month of September since we only danced once.

First, the good news. Monthly dues will continue to be \$10 a

month, payable October through June. Other clubs charge \$3 a night to dance or be in a class. This adds up to \$12 or \$15 a month depending on how many Tuesdays there are in a month. If we dance during the summer months of July, August, and September, we will have to continue the \$10 a month charge for those months also. We will still have to pay for the rental of the school.

The bad news is that the Club proposes to institute a yearly membership fee of \$30 a year, payable in January. As a corporation the Club will have to have a fiscal year for tax purposes. The gay clubs in the bay area and other parts of the country all have such a fee to pay for club mailings, the newsletter, and badges for Basic class graduates. They don't pay for club shirts as we will try to continue to do. The January date also coincides with the graduation of the Basic class. At this time Basic class graduates can become full voting members of the Club.

Because the Club has membership expenses in the three months prior to the January membership fee date, a prorated fee of \$2.50 a month will be charge to present full Club members for the months of October, November, and December, 1991.

These fees are less than those paid by bay area club members, and straight clubs who have been charging less will soon have to raise their dance fees. (TNT's already has.)

The Board feels that the new membership fee is necessary if

*Continued on Page 4*

*Continued From Page 3*

we are to continue to be a social club. Suggestions for reducing expenses, such as charging new members for club shirts and badges, not celebrating birthdays each month with cake and coffee, publishing the newsletter every other month or even quarterly, and not using Club funds for parties such as the Bloody Mary Party Capital City Squares will host at Camp Cazadero, really miss the whole point of the existence of Capital City Squares. We are a social club, not a business. We do need to live within our means and to budget our dues and fee moneys carefully. Dues have not been raised in 8 years. The Club has never gone into debt. All moneys collected have been spent solely for achieving the Club purpose. Ours is a club where friendships are made, not just in Sacramento but throughout the U.S. and Canada. It is a club where even relationships of a closer kind have been sparked. But above all, it is a club where people can meet for fellowship and square dancing. Surely, that is worth a lot!

P.S. The next meeting of the Board is Wednesday, September 25, at 7 P.M., at Bill and Michael's.

## Bob Koski's Foot

Bob Koski has joined Del Powell in the sprained ankle department. Del sprained both of his ankles last June at the Freedom Day Fair. Bob claims to have sprained his watching a "bag man" at an RT station. We hope all three ankles heal fast.

Keith D. Bishop

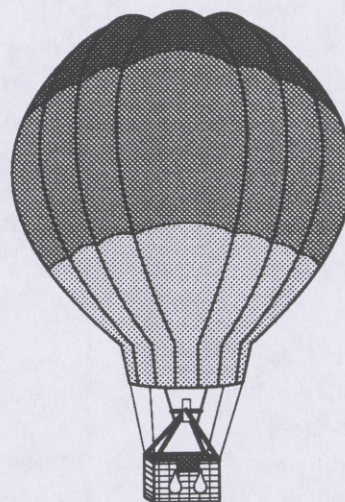

August 1, 1950 — September 8, 1991

The gay square dance community lost a friend and a very good dancer with the passing of Keith Bishop on September 8. I met Keith in the summer of 1985 and convinced him to start dancing with Western Star Dancers. Over the years Keith danced with Western Star Dancers, Foggy City Dancers, and Midnight Squares. Keith took up calling and sang for the Foggy City and Goldrush performance teams. In the short time I knew him Keith also became involved with motorcycles and computers and authored a computer text book. Keith was a warm, generous man. He will be sorely missed by his many square dance friends.

James Ozanich 🐼

Capital City Squares wishes to send condolences to Dore Tanner on the death of his mother.

Capital City Squares also regrets to inform you that Kim Brownlee, a founding member of Capital City Squares, died last week.

## CCS Needs A New Archangel

Bill is retiring his wings. Therefore, a new Archangel is needed to help Robin with the angeling component of Basic-Mainstream Class instruction. The job entails taking roll of new basic class dancers and angels, making sure angels are in squares with new dancers, and communicating any problems to Robin. Please, if you are at all interested in this very important position, talk to Robin or Bill.

## Square Dancer's Day at Great America

Saturday, October 5, is the date for Square Dancer's Day at Great America! Square Dancer's Day is open to family and friends also, but discount tickets must be purchased in advance. Tickets can be purchased by sending a check for the proper amount to:

Warren & Georgia Potts  
1004 Santa Clara Lane  
Petaluma, CA 94954  
707-762-8482

All checks should be made payable to the Northern California Square Dancers Association (NCSDA), as Great America must be paid by certified check on October 5. Tickets are \$13.25 per adult, \$10.25 for children age 3-6, and children under 3 are free. (The regular admission price is \$20.95.)

This is the first year of what is hoped to be an annual day for square dancers at Great America. Continuation will depend on participation. All of the Square Dance Associations in the northern and central part of California have been invited to participate in this event.

Dancing will be going on all day from 10:00 A.M. to 8:00 P.M. at the Orleans Place stage. (Changing rooms will be available at the park, so it is not necessary to wear paraphernalia all day.)

## Prime 8's Starts New Advanced Classes

Prime 8's plans to start new Advanced classes on Monday, October 7th. The class will be taught by Bill and Del. As yet, no place to dance and hold class has been set. Prime 8's is going through the same budget throes that Capital City Squares is experiencing, so things are bit up in the air. All Plus level dancers are invited to join Prime 8's and learn the A-1 and A-2 levels of square dancing. Instruction will be by tape and occasional guest callers. See Bill or Del for more information.
